'Tis' the Season to spread some JOY!

We are keeping with the Christmas spirit by donating to those in need.

Throughout the next few weeks, we ask that each student bring in something/anything from non-perishable foods, toys, clothing etc (unwrapped).

At the end of our last week, we will drop off all donations to Community Care on behalf of FUSION Studio. This will help make a better Christmas for families in need in our own community ☺

We understand that this time of year is busy but let's all do our best to bring something in and make this holiday season brighter for someone ☺
