LAST WEEK BEFORE HOLIDAYS / IN-CLASS CHRISTMAS PARTY

Recreational Classes: Tuesday Dec. 14th / Wednesday Dec. 15th & Saturday Dec. 18th, 2021.

*In the years past we've used this week as a Christmas Concert for our students' families to attend mixed in with a big party with yummy snack/treats. Unfortunately this will not be the case this year (hopefully back to normal next year).

During the last week of classes we will still have the kids come to their class in Holiday Spirit Wear and we will have a fun class full of dance/games and end with a recording of their Holiday Dance they've been working on. We will email the performance so that parents can see 😊

• Tis' the Season to spread some JOY!

• We are keeping with the Christmas spirit by donating to those in need.

• Throughout the next few weeks, we ask that each student bring in something/anything from non-perishable foods, toys, clothing etc (unwrapped).

• At the end of our last week, we will drop off all donations to Community Care on behalf of FUSiON Studio. This will help make a better Christmas for families in need in our own community 😊

• We understand that this time of year is busy but let's all do our best to bring something in and make this holiday season brighter for someone 😊

November 2021

WEATHER WATCH

With winter approaching, there may be days with severe weather or storms. In these cases an email will be sent to you by 3pm (weekdays) and 8:30am (Saturdays) to determine if classes have been cancelled. Also check our Facebook Page/Facebook Group for updates.

If you click "like" on Facebook page and become a member of our Facebook group - updates will appear on your 'newsfeed'

Blame 'Mother Nature'...unfortunately classes cancelled due to weather will not be re-scheduled. Thank you for your cooperation.

COLDER WEATHER = ILLNESSES

Now that we are in the depths of Fall and heading into Winter, flu season is also heading our way!! As well with COVID we would like to do our best to keep everyone healthy, so in doing so we must all do our part.

If your child has any of the following symptoms please keep them home from class; **vomiting, diarrhea, fever, coloured discharge from nose, eyes or ears and/or a bad cough.** This will help keep germs at bay ☺

Your cooperation is greatly appreciated.
